

Hi! It was very nice speaking with you and thank you for helping us reach out to furloughed workers !

As I mentioned, I am with the Mandel Public Library - we are on Clematis Street in downtown West Palm Beach

We are able to offer access to crafting machines and art supplies and free materials to help people create, post on Ebay & Etsy and sell their work.

I am the contact person; we are ready to start immediately. They can create crafts or they can create paintings.
